Company Profile

Ganapathi Tex is a renowned name in the garment industry of Tirupur as an exporter, manufacturing and exporting Textiles to Europe, USA and Canada since 2019. **Ganapathi Tex** is one of the leading manufacturers, exporters and suppliers of all kinds of garments for men, women & kids. The range of our product line, excellent quality and competitive prices have made us one of the most reliable names among our buyers across the world.

Here is a passionate team of talents with sound exposure of International fashion industry. Our team includes creative designers, technical experts, production managers, quality control managers and manufacturing specialists who provide services ranging from design, pattern making, technical specifications, and sampling to low minimum stock production.

Our vision :

To set a standard in the GLOBAL GARMENTS manufacturing industry through continuous creativity, innovative, products, focused service and enhanced customer satisfaction.

At **Ganapathi Tex**, we have highly efficient sampling facility. We have an in-house sampling department and sampling unit that is supervised by experts. We assist buyers with samples for promotion and production quality control. We develop designs as per clients specification. The buyer confirms the fit and style with the help of samples. We make samples for an entire size set. Once the client approves the samples it becomes a benchmark for the remaining work.

Our Mission :

Delivery on time with continuous improvement and quality. Comply without fail with all statutory regulations required by our customers improvement and maintain the infrastructure the adheres to the highest levels of efficiency that seamlessly blends with customers supply chain.

Ensure escalating production standards at the lowest operating cost thus offering our customers a product of the highest quality at most competitive price.

Production Capacity :
1.5 Million Pcs Per Annum
